Study From Home

ITC is a premium provider of training courses for the airline, aviation, travel and tourism industries. Founded in 1996, ITC is built on the values of professional integrity, quality programming and educational excellence.

At ITC we make sure students are ready to take their place in the industry; confident, professionally trained and fully prepared. Our qualifications are internationally recognised and we support students every step of the way through the recruitment process.

TERTIARY STUDY

ITC qualifications start at level 3 through to our level 5 Diploma. Students study on campus, Monday to Thursday 9:00am - 2:30pm, with 3 study locations in Auckland City, South Auckland & Whangarei. Study From Home is available for those who cannot commit to on campus study.

At ITC, we'll make sure you are ready to take your place in the tourism industry; confident, professionally trained and fully prepared. As multiple winners of the New Zealand Tourism Award, including the prestigious Distinction Award, ITC truly is a leader in its field.

Our strong focus on quality and practical training really does work! It ensures that ITC continues to be the first choice for people seeking a new career within an airline, at an airport, or in a travel and tourism role.

The ITC tutorial team have extensive travel industry experience. They bring a real depth of skill and expertise to the classroom.

STUDENT TESTIMONIALS

Natisha *- I studied here for almost two years. The staff/teachers are so helpful and they give advice when you most need it.*

Tepapatea *- As an international student it's hard to think about leaving your country to study overseas, but ITC was definitely worth it!*

Tanisha *- Studying through ITC was definitely an awesome experience, ITC tutors were always putting in so much time and effort with everyone and was just excellent overall. Definitely one of the best places to learn from.*

Rafa *- All the skills I have learnt in level 3, 4 & 5 gave me tools to develop myself in my everyday life, not only in my tourism career. Staff are great leaders who showed care, respect & encouragement. It is clear that ITC is an educational institution who really want students to develop all their potential to succeed in life. I am so grateful to be part of the ITC family, and highly recommend the college to everybody who want to study travel and tourism. Thank you ITC!*

COURSE OPTIONS

NEW ZEALAND CERTIFICATE IN TOURISM WITH A STRAND OF TOURISM AND TRAVEL LEVEL 3 (20 WEEKS)

Almost completed your level 2 studies or looking at a great option to enter back into study? Then this is an excellent introduction to the exciting tourism industry. Highly practical and a fun learning environment. Learn about customer service, cross-cultural communication, travel requirements & documentation with extensive careers support and industry advice.

NEW ZEALAND CERTIFICATE IN TOURISM WITH A STRAND OF AVIATION LEVEL 3 (20 WEEKS)

Almost completed your level 2 studies or looking at a great option to enter back into study? Offering fast-paced aviation training, including subjects such as dangerous goods, aviation security, airport geography, airline operations, check-in procedures, international travel documentation, flight attending and baggage processing.

NEW ZEALAND CERTIFICATE IN TRAVEL LEVEL 4 (21 WEEKS)

The course differs from our Level 3 qualifications in that it has a strong international focus. Important skills covered in this program include advanced selling skills, financial operations, career development, team work and client relationships – transferable skills that will give you a competitive edge in any industry.

Level 4 also includes practical training in coach & overland tours, online fares & ticketing systems, including AMADEUS, which is used by travel agents & airlines in NZ and around the world.

Students also experience the New Zealand tourism industry firsthand through industry site visits, enjoying attractions as customers, and participating in ITC-arranged work experience.

NEW ZEALAND DIPLOMA IN TOURISM AND TRAVEL LEVEL 5 (1 YEAR)

The 1 Year Diploma in Tourism and Travel Level 5 provides graduates with the skills and knowledge to prepare them for a general management career, majoring in Aviation, Travel and Tourism.

The course focuses on skills in human resource management, marketing, strategic planning, research, finance, legislation and information technology, all of which are essential in these global industries.

Studying at Level 5 is fast-paced and challenging. The aim of this qualification is to provide you with as much industry knowledge as we possibly can within 1 year. A similar qualification could take years at university!

All of the above can be completed on campus or online via Study From Home.
